Subject: Quality Policy Statement

Hattem, 01/29/2018

Dear Sir/Madam,

Hint is committed to supply services and solutions on a project and reimbursable basis with a high quality level that at least meets the customer's expectations. To accomplish this goal the following primary quality objectives have been defined:

- optimize the match between the quality of delivered products, services and solutions and the customer quality expectations

Hint is committed to maintain a Quality Management System that is compliant to the international standard ISO9001:2015 in order to support the achievement of the quality objectives.

It is the responsibility of each employee of Hint to comply with the guidelines of the Quality Management System and to ensure and improve the quality of his/her work.

The management of Hint declares that it is fully committed to the development, implementation and continuous improvement of the Quality Management System.
